B A S I C

Una linea versatile di porte per interni, ispirata a criteri formali e tecnologici di alto livello. Ideata per l'applicazione seriale, Basic chiude ed arreda spazi abitativi ed ambienti professionali, inserendosi all'interno di ogni progetto con un ventaglio eclettico ed esteso di materiali, soluzioni estetiche e configurazioni. Qualità e prestigio sono firmati Dierre.

A versatile line of internal doors which inspires to high level formal and technological criteria. Conceived for serial application, Basic encloses and furnishes living environments and professional settings, blending into any project with a varied and extended range of materials, aesthetic solutions and configurations. Quality and prestige endorsed by Dierre.

ISY	04-17
TWIN SET	24-37
LIBERTI	38-43
NOVELTY	44-53
MODIGLIANI	54-61
ALUTECH	62-65

CONFIGURAZIONI	58-59
CONFIGURATIONS	

Porta in melaminico, cieca o finestrata, dalle linee originali e attuali, dotata di serratura magnetica. Il particolare telaio consente che i coprifili mantengano lo stesso impatto estetico sia sul lato a spingere che a tirare. Disponibile nelle soluzioni di apertura sotto indicate (a un battente o doppio battente).

Blank or glazed melamine door with modern and stand-out lines with magnetic lock. The particular frame allows for the covermoulds to have the same aesthetic feature both on the push and pull side. Can be opened as indicated below (single or double leaf version).

Sempre all'altezza

Always matching expectations

La struttura del telaio listellare e il coprilo listellare garantiscono un ottimo grado di finitura. Inoltre, l'esclusivo coprifilo consente di mantenere la stessa altezza sia sul lato a spingere che a tirare.

The structure of the blockboard frame and covermould guarantee excellent finish. In addition, the exclusive covermould allows to maintain the same height both on the push and pull side.
